## Education

**"Ion Mincu" University of Architecture and Urbanism**

*Masters of Landscape and Territory*

**Oct 2021 – Sept 2023**

*Bucharest, Romania*

**"Ion Mincu" University of Architecture and Urbanism**

*Bachelor of Urban Planning*

**Oct 2017 – Jun 2021**

*Bucharest, Romania*

## Experience

**BELETAGE S.R.L.**

*Urban Planner*

**June 2022 – September 2023**

*Bucharest, Romania*

- I had to develop a concept for a residential area that was not urban developed on the outskirts of Cluj-Napoca city.
- I was in charge of regional and local improvement projects, from documentation to designing plans in ArchiCAD and QGIS in different areas of activity from city restructuring plans to small businesses.
- The biggest project at this company I've worked on was an urban development documentation design plan for a territory in Suceava County. I had to make detailed documentation about the situation of the documents related to the project and I had to carry out an analysis of the current situation in order to make a concise documentation of the proposed situation.

**T.E.A.M. Bucharest**

*Non-Governmental Organization*

**2014 – 2016**

*Bucharest, Romania*

- The association's main goal is to establish youth structures that have access to non-formal education.
- I had the opportunity to participate in various personal development courses, project management courses, and courses about the management of people with disabilities (especially children).
- Additionally, through the association, I had the opportunity to organize, as an assistant to the leader, personal development activities with volunteers and high school students, as well as non-formal education activities with kindergarten or middle school children.

**National Organization of Romanian Scouts**

*Non-Governmental Organization*

**2012 – 2015**

*Bucharest, Romania*

- I had the opportunity to participate in environmental cleanup and improvement activities, interaction activities with children with disabilities, and volunteering at various events organized by the local municipality.
- Among these activities were: restoring and modernizing play areas adjacent to children's hospitals, tree planting activities in various areas of Bucharest, and educational activities with disabled children under the supervision of experienced individuals in hospitals, as well as volunteering at local festivals organized annually.
- I participated in various hikes and camps where scouts from other local centers from across the country, and sometimes even from abroad were involved. I had the honor of participating in expeditions such as the "Cup of Springs" (2014) and the "Centenary of Scouting" (2013) organized by the NGO Scouts of Romania, which were national and international camps involving activities for personal development, discipline, and environmental awareness.

## Personal Projects

**The UI of the official site for a Sounding System Company | Adobe Photoshop, Figma**

**Jan 2024 - Feb 2024**

- I used Adobe Photoshop to create the new logo of the company, to develop the aesthetic of the site and to edit the pictures I used.
- I used Figma to create the main interface of the site and the secondary pages but also to integrate the elements to obtain a design compatible with the character of the sounding system company.

## Technical Skills

**Architectural and Design Software:** ArchiCAD

**Graphics editors:** CorelDraw, Adobe Photoshop, Adobe Illustrator

**Design Tools:** Figma

**3D modeling software:** SketchUp

**Geographic system software :** Qgis

## Personal Skills

**Languages:** English B2

**Driving Licence** B cat
